Peace River, AB

APL now provides a professional transportation service that will improve the quality of life for our senior citizens and those requiring wheel chair accessible transportation. Our Non-Emergent Medical Transport (NEMT) program provides much more than just transportation. We provide accessible "through the door" service that responds to seniors' individualized needs. These needs include, but are not limited to: medical and dental appointments, grocery shopping, banking, hairdressers or even religious or social activities.

... because people matter.
