

# County of Northern Lights

## Beaver Control Schedule "A"

### DECLARATION

#### Control Personnel

I am authorized to remove beaver from \_\_\_\_\_, by the owner \_\_\_\_\_  
Legal Land Description

\_\_\_\_\_  
Control Personnel Address

I affirm that \_\_\_\_\_ beaver tails presented for payment were removed from the above noted land with the owner's consent and that these beavers were causing significant flooding. It is up to control personnel to gain consent to remove beaver(s) on private land. Further the County of Northern Lights is granted permission to verify flooding claims.

Date \_\_\_\_\_ Control Personnel \_\_\_\_\_  
County Personnel \_\_\_\_\_

- The total amount for the program will be established by the current budget, the County is not obligated to pay the incentive payment if the designated budget amount has expired.
  - Maximum allowed is 35 beaver tails per year, per producer phone the Agriculture Fieldman, 780-836-3348, prior to submitting beaver tails to set up an appointment.
- \*\*The County may increase the amount allotted to control personnel in areas that are experiencing exceptional flooding.
