

## VEGETATION MANAGEMENT PROGRAM

The Vegetation Management Program was developed to assist landowners with the challenging task of performing weed control of regulated weeds (Alberta Weed Act Regulations). This program consists of a written agreement between the landowner(s) and the County. Once the agreement is completed, the County can perform weed control work (mowing, spraying, etc.) for that property.

## PRIVATE LAND AGREEMENT

Private Land Agreement - this permits the County to spray up to a maximum of 1 acre of land for regulated weeds found within the property. The County does not charge for this service.

## FENCELINE AGREEMENT

Fenceline Agreement - this permits the County to spray for regulated weeds found within the property edge along the Municipal Right-of-Way. This agreement shall be in effect until rescinded by either party. The County does not charge for this service.

## GREAT! HOW DO I SIGN UP?

Simply fill the back of this sheet, and mail, fax or drop off the completed form at the County office. Please note a separate form is required for **each** property.

- Initial any or all of the agreements you wish to sign up for  
*Please Note: Property must border municipal right-of-way to be eligible for the fenceline agreement*
- Review the listed residual herbicides that are used for weed control by the County
- Mark the legal land description and subdivision information, if applicable

List any of the regulated weeds of concern as well as any additional notes you may have  
*Please Note: The County cannot perform weed control for non-regulated weeds i.e. dandelions*

- Complete the bottom section with landowner's name & signature, date, address and phone number

# WEED MANAGEMENT RELEASE

**OFFICE USE ONLY**  
Ref #: \_\_\_\_\_

## FENCELINE AGREEMENT

Initial \_\_\_\_\_

I hereby grant permission for County of Northern Lights to control regulated weeds by applying residual herbicide, mowing, or by other means within the perimeter of the listed property, including the fenceline and headlands, and adjacent Municipal right-of-way. Vegetation management will be conducted as time permits, with the knowledge that priority is always given to the municipal road right-of-way program. This signed request shall include permission for County of Northern Lights to enter my property for the purpose of performing such related weed control work.

## PRIVATE LAND AGREEMENT

Initial \_\_\_\_\_

I hereby grant permission for County of Northern Lights to control regulated weeds to a maximum area of 1 acre, by applying residual herbicide, mowing, or by other means within the listed property below. Vegetation management will be conducted as time permits, with the knowledge that priority is always given to the municipal road right-of-way program. This signed request shall include permission for County of Northern Lights to enter my property for the purpose of performing such related weed control work.

## RESIDUAL HERBICIDE APPLICATION

*Truvis<sup>®</sup>* is a residual herbicide with low toxicity and two modes of action, which may persist in the soil for up to **five** years and may affect the growth of crops such as peas, beans, potatoes, all legumes, and other broadleaf crops.

*Milestone<sup>®</sup> (Restore<sup>®</sup>)* is a residual herbicide with low toxicity, which may persist in the soil for up to **three** years and may affect the growth of crops such as canola, peas, beans, potatoes, all legumes, and other broadleaf crops.

*Clearview<sup>®</sup> (Reclaim<sup>®</sup>)* is a residual herbicide with low toxicity, which may persist in the soil for up to **five** years and may affect the growth of crops such as canola, peas, beans, potatoes, all legumes, and other broadleaf crops.

I hereby declare by signing this form that I understand the residual effects of the listed herbicides. I agree to save harmless and indemnify County of Northern Lights and its employees and agents, from and against all actions, suits, claims and demands arising in any manner whatsoever from activities associated with said herbicide application.
