

Maintenance / Service of Community Facilities Policy

Subject: Community Facilities

Ref: Public Works / Utilities

Code: 32

Date Approved: May 14, 2024

Motion No.: 201/1405/24

Replaces: 072/11/02/20

The County of Northern Lights, through it's Public Works Department, will strive to establish and sustain a reliable and safe road infrastructure using the resources on hand to promote the growth and prosperity of the County and it's residents.

The County of Northern Lights aims to accomplish this by providing support to community groups and improving community relations.

Signed:

Chief Elected Official

Signed:

Chief Administrative Officer

PROCEDURE:

1. Offer support to local communities by conducting periodic upkeep tasks like snow clearing, grading, or graveling access roads/driveways leading to community facilities as decided by Council.
2. The execution of such tasks will rely on the availability of equipment and funds, with the timing of maintenance determined at the discretion of the Administration.
3. Attached to this Policy as Schedule “A” is the Maintenance/Service of Community Facilities List. It is comprised of facilities approved by Council, which will receive maintenance services upon request, free of charge.
